Title: Biden Holds Trump Responsible in Jan. 6 Speech - The New York Times
Date: 06.01.2022

The two lawmakers offered conspiracy theories blaming the riot on Democrats and federal authorities at a news conference and on a podcast hosted by Stephen K. Bannon, a former adviser to Mr. Trump who himself is under indictment for contempt of Congress for refusing to cooperate with the House investigation. "We're ashamed of nothing," Mr. Gaetz told Mr. Bannon.
