Description

The Department is working with the Fair Work Ombudsman to help employees and employers understand and follow Australian Workplace laws. The Pay and Conditions Tool (PACT) provides information on pay rates, shift calculations, leave arrangements and notice and redundancy entitlements. 8104 - Work limitation: current and previous 570-576 visa holders, See the Regulation 500 visa holders, See the Regulation A member of the family unit of a Student visa holder can work a maximum of 40 hours per fortnight, when the primary student visa holder has commenced their course. See Work conditions for student visa holders for further information about this visa condition, including activities that are not considered work. Note: Family members of students studying a Masters or doctorate (PhD) can work unlimited hours once the primary student visa holder has started their course. Important: Employers seeking to hire the family member of a primary student visa holder are advised to request evidence: of the relationship (such as a visa grant letter, marriage or birth certificate) & that the primary student visa holder has commenced their course, such as a Confirmation of Enrolment or a letter from the relevant education provider.
